

## **Acupuncture and Herbal Medicine Associate**

Montrose Acupuncture and Herbal Medicine is looking for an Acupuncture Associate to join the practice. Partial or complete future ownership possible for the right candidate.

Requirements:

- 2 – 4 years experience, although we would consider a recent graduate of either a Master's or Professional Doctorate program
- Herbal medicine knowledge a plus
- Open, relaxed, and professional disposition
- Previous customer service, business development/sales experience a plus

Dr. Christine Cannon, DAOM, Dipl.OM, L.Ac, opened Montrose Acupuncture and Herbal Medicine in May of 2022 and has quickly grown the practice, and become recognized in the community as a trusted resource for acupuncture, herbal medicine, and health coaching. More detailed business information will be disclosed during the application process.

- 3 treatment spaces
- Immediate availability to treat 2 – 3 days per week
- Extensive granule pharmacy with individual herbs and formulas
- Plum Flower Teapills, and select Seven Forest formulas
- Herbal product lines can definitely be added if the needed

This opportunity is perfect for anyone wanting to join a fully functioning clinic. Patients come to us from patient and professional referrals and our Google profile and advertising within the community. The clinic has a developed Instagram account with 1,000+ followers.

Montrose is a community on the West Slope of Colorado, with approximately 22,000 residents. Montrose serves as a hub to the surrounding towns and rural communities including Ridgway, Ouray, Telluride, Norwood, and Nucla to the south and southwest. Delta, Cedaredge, Hotchkiss, Paonia, Gunnison, and Lake City to the north, northeast and east.

The community is well supported by a hospital and multiple medical centers, and an airport that has just gone through a significant expansion with regular flights to Denver and seasonal direct flights to major cities nationwide.
