

# Licensed Acupuncturist Job Available

The Acupuncture Center of Northern Colorado is looking for a skilled, highly motivated, Colorado state licensed acupuncturist to join our busy acupuncture practice in Fort Collins, CO.

We are a high-volume clinic that treats a wide variety of conditions but specializes in oncology. We would love to add your specialty to our team!

We are looking for a detail-oriented, coachable, and friendly part-time acupuncturist who is a team player to join our well-established and growing practice. Experience is helpful but we are willing to train recent graduates.

This is a W-2 employee position. This position will require some evenings and weekends.

## Requirements:

- Master's Degree in Acupuncture and/or Oriental Medicine from an accredited institution
- Current Colorado state acupuncture license
- NCCAOM Board Certified
- Willingness to treat up to 3 patients an hour (we will train and mentor this skill)
- Confidence in creating and delivering treatment plans
- Desire to build your client base and maintain a strong retention rate
- Excellent clinical skills
- Superb people skills—an excellent communicator
- Professional, punctual, reliable, and friendly
- Bonus qualifications
  - Certified in injection therapy
  - Certified in oncology acupuncture
  - Knowledge of herbs

## Compensation

- Hourly rate + per patient commission

If you think you are a good fit, please email your resume and cover letter to [info@acucenternoco.com](mailto:info@acucenternoco.com) with the subject "Acupuncture Associate Job Application". Include answers to the following questions in your cover letter.

- What interests you in this position?
- How does this opportunity fit with your professional and personal goals?
- What makes you a good fit for this position?
- Do you have a patient base already?
- Are you working anywhere else currently?
