

## November 2024 Newsletter

### Colorado Chinese Medicine University: Inspiring Research and Innovation in Chinese Medicine

At Colorado Chinese Medicine University (CCMU), we are proud to announce that recent research presentations from our esteemed faculty and alumni were selected for the 8th World Conference on Integrative Medicine, held from November 8-10 in both Shenzhen, China, and Silicon Valley, California. This recognition highlights the growing impact of our work on a global scale.

Our selected presentations include:

**Dr. Corey Brown**  
A Systematic Review of The  
Treatment of Epilepsy

**Prof. Joseph Brady**  
Whole Person Health and Successful  
Aging AI ML Analysis

[Watch Presentation](#)

**Dr. Valerie Lam**  
The Effects of Chinese Medicine on  
Long-Term COVID-19 Sequelae, or  
Post-COVID Syndrome

[Watch Presentation](#)

[Watch Presentation](#)

**Songtao Zhou, CEO & President**  
The Influence of Acupuncture  
Techniques on Qi Energy Based on  
Fluid Mechanics

[Watch Presentation](#)

These speeches delve into topics ranging from the philosophy of Qi to the application of traditional Chinese medicine in addressing modern health challenges. Their selection for this prominent conference underscores CCMU's commitment to advancing Chinese medicine through research, innovation, and cross-cultural exchange.

We invite you to explore these insightful presentations and join us in celebrating our university's contributions to integrative health on the world stage.

## **Invitation to CCMU's Virtual Meeting on Research and Funding Opportunities with RAND REACH Center**

We are thrilled to invite you to an exclusive virtual meeting to discuss research and funding opportunities available through our new affiliation with the RAND REACH Center! This exciting partnership is a unique opportunity to strengthen your career while contributing to the broader advancement of Chinese Medicine on a global scale.

### Meeting Details:

- **Date:** Sunday, November 17th
- **Time:** 10:00 AM - 12:00 PM (MT)
- **Location:** Zoom (link to be provided upon RSVP)

As a member of the RAND REACH Center, CCMU is now part of a powerful network committed to enhancing research capabilities in Complementary and Integrative Health (CIH). This meeting will outline how you, as valued members of our community, can benefit from this affiliation through access to competitive grant-writing support, collaborative research opportunities, and mentorship programs designed to develop your research proficiency.

### What You'll Learn:

- **Grant Development Support:** Learn about resources and mentorship available to help you craft compelling, fundable research proposals.
- **RAND Scholars Program:** Discover how this program provides tailored support, networking, and development for emerging and developing researchers.
- **Virtual Research Platform:** Explore how the RAND REACH Center's virtual platform fosters innovative, cross-disciplinary research collaborations.

Our partnership with RAND REACH is designed to empower you in your professional journey, providing you with access to structured support for research and professional growth. This meeting is your chance to learn how you can contribute to the evolving landscape of Chinese Medicine research, bringing ancient knowledge into the modern world through rigorous, evidence-based approaches.

We hope you will join us on November 17th to explore the many ways our affiliation with RAND can support your career goals and elevate CCMU's mission to advance Chinese Medicine.
