

## **Independent Contractor – Licensed Acupuncturist (Thornton, CO)**

**Seeking a Passionate Acupuncturist to Join Our Multidisciplinary Team**

**Location:** Thornton, CO

**Position Type:** Independent Contractor

**Compensation:** \$45 per treatment + free clinic services + annual performance raises

**Schedule:** Flexible weekdays, with a preference of two weekend days (Saturday or Sunday) per month.

### **About Our Clinic**

At our Thornton clinic, we provide high-quality, holistic care in a calm, relaxed, and supportive environment. Our multidisciplinary team includes a chiropractor, massage therapists, and acupuncturists working collaboratively to improve patient wellness.

We serve a diverse patient base, accept health insurance, and manage a robust volume of auto accident cases. Our clinic deeply values equality and inclusion, and we pride ourselves on maintaining a welcoming, safe space for everyone.

### **The Opportunity & Perks**

We are looking for a confident, motivated, and proactive Colorado Licensed Acupuncturist who is eager to build and grow their patient load. If you are a hard-working practitioner who thrives in an easy-going yet professional team setting, you will fit right in.

## What We Offer:

- **Competitive Pay:** Guaranteed \$45 per patient treatment.
- **Growth:** Annual raises based on performance and patient load growth.
- **Wellness Perks:** Free clinic services (chiropractic, massage, and acupuncture treatments).

*Please note: Providing fire cupping treatments is a core requirement for this position.*

## Key Responsibilities

- **Clinical Care:** Conduct thorough patient assessments and physical examinations to design and execute effective, customized treatment plans.
- **Treatments:** Administer acupuncture and fire cupping treatments safely, ensuring maximum patient comfort.
- **Documentation:** Maintain accurate, timely electronic health records via our online charting system.
- **Clinic Operations:** Manage end-to-end patient care by handling your own re-booking, processing patient payments, and performing light clinic cleaning tasks to keep the space clean.
- **Safety Protocols:** Strictly adhere to standard aseptic techniques and safety guidelines during all procedures.

## Qualifications & Requirements

- **Licensure:** Active Colorado Acupuncture License and current malpractice insurance.
- **Certifications:** Up-to-date CPR and BLS certifications.
- **Availability:** Flexible to work weekdays, with a request to cover at least two weekend days per month. Ready to start within the next 2–3 weeks.
- **Location:** Must currently reside in Colorado and be available for an in-person interview.
