Practice Highlights

- Established 30+ years with a strong community reputation and repeat clientele
- All-cash practice with consistent patient flow and minimal marketing required
- Strong demand for acupuncture and integrative healthcare throughout Mill Valley and the greater Bay Area
- Broad integrative approach including acupuncture, herbs, functional medicine, lab testing, hormone support, supplements, cupping, telehealth, IV therapy, massage, and guided cleansing/detox programs
- Gorgeous 930 sf clinic space with high ceilings, natural light, wood floors, original artwork, easy parking, and a warm, welcoming atmosphere.
- Approximately \$207K average annual gross revenue with low overhead
- Approximately 30-45 patient visits per week while working just 4½ days per week
- Ideal opportunity for an acupuncturist, naturopathic doctor, osteopathic physician, or holistic MD with interest or experience in functional and integrative medicine
- Beautiful Mill Valley location just north of San Francisco, near hiking trails, beaches, and Mount Tamalpais
- Owner is open to staying on during the transition period to support continuity and help ensure a smooth transfer of patient relationships
