

# Thriving Specialty Acupuncture Practice FOR SALE in Lynchburg, Virginia

*Profitable all-cash clinic • High-demand SAAT specialty • Excellent quality of life*

Hello, I'm Debi Farley, founder of Acupuncture Works, LLC in Lynchburg, Virginia. After a decade of building this practice into a strong, thriving clinic with a unique specialty focus, I'm seeking a new owner to carry it forward.

Acupuncture Works is especially known for its work with **Soliman Auricular Allergy Treatment (SAAT)**, a specialized auricular acupuncture protocol used in the treatment of allergies, including Alpha Gal Syndrome (AGS). This specialty has created **exceptionally strong demand and draws patients from across Virginia and surrounding regions.**

## Practice highlights at a glance

- Established **all-cash** practice with **low overhead and streamlined operations**
- **~\$460K** average annual gross revenue over the past four years (and I currently take **~20 weeks off** per year!)
- Approximately **60 new patients per month** with consistent word-of-mouth growth
- **High-demand** SAAT specialty with broad patient demand and minimal local competition
- **Strong referral relationships** with local physicians, wellness professionals, and patient networks
- Opportunity to expand further into traditional acupuncture, herbs, wellness services, or additional specialties
- Approximately **1,440 sq. ft.** clinic with treatment rooms, reception area, storage, and room for multiple practitioners
- Located in Lynchburg's **wonderful, walkable Wyndhurst neighborhood** near wellness businesses, restaurants, fitness facilities, and residential communities
